

"Studded Gems to the Crown of Tiny Pearls School"

Tiny Pearls School in Gulbarga is a school with a treasure of talents in teachers and students. The school has been doing its sincere service in making its students grow mammoth in different fields like education, extra curricular activities and competitions conducted by Govt. & other organisations. This yeoman service steps into its 45th year in the year 2013.

The only and final aim of the school is to facilitate the students to spread fragrance of knowledge and urge to see better education in Science, Arts, Computer Science and Sportsman skills in sports. The teachers are on their toes to chistle the students untiringly. As a result of this the students under the guidance of management and teachers have emerged as beneficiaries of award and honour by distinguished elites. The school has set to the task of pride to let you all know the achievements of the students in different competitions.

Dist. Science Officer, Dist. Science Centre, Gulbarga.

Pearls in mass are present in the abyss of sea only deep divers can pick them up. It is not possible to pick all pearls at a time, so a diver can pick the pearl one at a time. Every year in Tiny Pearls School a pearl is excavated and brought to the notice of all. Such a pearl of pride of the school in this academic year 2012-13 is Mohammed Abdul Azizuddin studying in X std. He has been a perfect gentleman student in studies, behaviour and all other activities conducted by the school. He exceptionally proved his worth of our worthy belief on him. He has been a topper since his getting admission in the school. He is the trusted soldier in winning the battle field of competitions in Science, Maths, Elocution, Debate Quiz Competition conducted at various levels including Taluka and District levels at the District Science Centre and various schools.

The management and staff feel immeasurably glad to hold their head in high esteem for having an esteemed student like him in the school. We all bless him to be blessed by elders and God Almighty to the recipient of lots and lots of opportunities not only to bring the name of his family but also his family of teachers and school management with whom he has spent his worthy years in school to emerge as the student of multi versatilities.

Objectives of Federation

Federation of rights and duties was established in Tiny Pearls School as per the instruction received by the Government of Karnataka. After studying the rules and regulations of the Federation Tiny Pearls School showed an involved and valid interest in the formation of Federation in the school. The students and teachers were selected for different designations under Federation with the orientation of bringing discipline, leadership qualities among the students of the school. Since the establishment of Federation the office bearers of both teachers and students have been catering the duties to unfurl and hoist the flag of the necessity of Federation of rights and duties.
